

# Bernardus Djonoputro

## Komisaris Independen Independent Commissioner

Bernardus Djonoputro meraih gelar sarjana di Sekolah Perencanaan Wilayah dan Kota dari Institut Teknologi Bandung (ITB) dan Magister Manajemen Bisnis dari Binus Business School. Saat ini, beliau adalah kandidat doktor di Sekolah Kajian Strategis dan Global, Universitas Indonesia.

Beliau adalah Penasihat Perdagangan Kehormatan untuk kedutaan pemerintah Selandia Baru di Asia Tenggara. Beliau juga menjabat sebagai Komisaris PT Bandara Internasional Jawa Barat Aerocity Development (PT BIJBAD). Pada periode 2022-2025, beliau menjabat sebagai CEO/Kapala Badan Pengelola Koridor Ekonomi Rebana, Pemerintah Provinsi Jawa Barat.

Bernardus adalah Pemegang Saham Pendiri dan Managing Director Smart City Orchestra Ltd, sebuah perusahaan teknologi semi conductor dan smart city Jepang yang berbasis di Tokyo. Sebagai investor, beliau membangun start up AAL-Bio dibidang bio-conversion dan mengurangi sampah organik kota. Ia juga aktif di tingkat internasional sebagai Fellow dan Faculty di Salzburg Global Seminar, sebuah lembaga think-tank globalisasi yang berbasis di Salzburg, Austria.

Bernardus telah berkarir lebih dari 35 tahun sebagai profesional di sektor swasta dan publik. Ia memulai kariernya di American Express Bank, kemudian memegang posisi manajemen senior dan mitra ekuitas di firma penasihat keuangan internasional terkemuka, PwC, Deloitte, dan EY. Ia juga pernah menjadi penasihat bagi perusahaan-perusahaan besar, kementerian, pemerintah asing dan nasional, gubernur, dan wali kota. Ia juga memiliki pengalaman luas di perusahaan Tbk sebagai direktur PT Nusantara Infrastructure Tbk, dan Komisaris PT Jababeka Infrastruktur.

Bernardus adalah pemegang Sertifikasi Perencana Utama Kota dan Anggota International Society of City and Regional Planners (ISOCAROP). Beliau saat ini adalah Ketua Dewan Etik Perencanaan tingkat nasional Ikatan Perencana Wilayah dan Kota Indonesia (IAP). Bernardus juga saat ini menjabat sebagai Dewan Penasihat Dana Abadi dan Badan Pengelola Usaha ITB.

Beliau telah meraih berbagai penghargaan sepanjang kariernya, termasuk Anugerah Ganesha Wiryasa Utama (2025) yang bergengsi dari Institut Teknologi Bandung (ITB) atas dedikasinya dalam memajukan praktik perencanaan wilayah dan kota di Indonesia. Beliau juga penerima American Express Worldwide Best Performer Award (1993) untuk kinerja yang luar biasa.

Bernardus Djonoputro received his bachelor degree from the School of Urban and Regional Planning at Institut Teknologi Bandung (ITB) and Master in Business Management from Binus Business School. He is currently a Phd candidate at the School of Strategic and Global Studies, University of Indonesia.

He is the honorary Trade Advisor to the government of New Zealand envoys in South East Asia. He also sits as commissioner of PT Bandara Internasional Jawa Barat Aerocity Development (PT BIJBAD). From 2022-2025 he was the CEO of the Rebana Economic Corridor Management Agency, West Java provincial government.

Bernardus is Founding Shareholder and Managing Director of Smart City Orchestra Ltd, a Japanese technology and smart city company based in Tokyo. He is also the investor behind a bio-conversion and waste management company AAL-Bio. Currently he sits as international Fellow and Faculty of the Salzburg Global Seminar, a globalization think tank based in Salzburg Austria.

He has built more than 35 years of professional career in the private and public sector. He started his career with American Express Bank, and then held senior management positions and equity partner with major international financial advisory firms PwC, Deloitte and EY. He was advisors to major corporations, ministries, foreign and national governments, governors and mayors. He also has had extensive experience working as director PT Nusantara Infrastructure Tbk, and Commissioner of PT Jababeka Infrastruktur.

Bernardus is holder of First Class Certified City Planner, and a Member of International Society of City and Regional Planners (ISOCAROP). He is the national Chair of the Planning Ethics Board of the Indonesian Association of Urban and Regional Planners (IAP). Bernardus also currently sits in the Advisory Board of the University Endowment Fund and Business Management Agency, Bandung Institute of Technology.

He has been recognized with several accolades throughout his career, including the prestigious Anugerah Ganesha Wiryasa Utama (2025) from the Bandung Institute of Technology (ITB) for his dedication to the advancing of urban and regional planning practice in Indonesia. He is also recipient of American Express Worldwide Best Performer Award (1993) for outstanding performance.
